Independent Auditors' Report on Quarterly and Year to date Consolidated Financial Results of Ballarpur Industries Limited pursuant to Regulation 33 & 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To
The Board of Directors
Ballarpur Industries Limited

Disclaimer of Opinion

We were engaged to audit the accompanying Consolidated Financial Results of Ballarpur Industries Limited (hereinafter referred to as the 'Parent') and its subsidiaries (Parent and its subsidiaries together referred to as the 'Group'), for the quarter and year ended 31 March, 2021 ('the Statement'), being submitted by the Company pursuant to the requirements of Regulation 33 & 52 of the Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulation, 2015 as amended ("Listing Regulations").

In accordance with the Insolvency and Bankruptcy Code, 2016 ("the Code"), the Hon'ble National Company Law Tribunal, Mumbai bench ("NCLT") admitted a petition for corporate insolvency resolution process ("CIRP") filed by M/s. Finquest Financial Solutions Private Limited against the Parent. Mr. Divyesh Desai (IBBI/PA-001/IP-P00169/2017-2018/10338) was appointed as an Interim Resolution Professional ("IRP") to manage affairs of the Company in accordance with the provisions of the Code. Subsequently, Hon'ble NCLT vide its Order dated 27 May, 2020 has appointed Mr. Anuj Jain (IBBI/PA-001/IP-P00142/2017-2018/10306) as Resolution Professional ("RP") of the Parent. Pursuant to the Insolvency Commencement Order and in line with the provisions of the Code, the powers of the Board of Directors were suspended and the same were exercised by IRP/RP.

Because of the significance of the matters described in basis for disclaimer of opinion, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion as to whether the Statement:

- a) is presented in accordance with the requirements of Regulation 33 & 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended; and
- b) gives a true and fair view in conformity with the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India of the net loss and total comprehensive income and other financial information of the Company for the year ended 31 March, 2021.

Basis for Disclaimer of Opinion

1. Even though the resolution plan of the Parent has been approved by the Hon'ble National Company Law Tribunal, Mumbai bench on 31 March, 2023, but still there exists material uncertainty related to going concern of the Group as we are unable to obtain sufficient and appropriate audit evidence to conclude on the appropriateness of the use of going concern

assumption in the preparation of Consolidated Financial Results. (Refer note no. 5 to the Consolidated Financial Results).

2. The Parent has not accrued the liability towards outstanding put options and the management is unable to quantify the liability with respect to the outstanding put options. Accordingly, we are unable to quantify the impact on Consolidated Financial Results. (Refer note no. 6 to the Consolidated Financial Results).
3. Pursuant to commencement of the CIRP on 17 January, 2020 under Insolvency and Bankruptcy Code, 2016 ('the Code'), the Resolution Professional (RP) has received various claims submitted by the financial creditors, operational creditors, employees and other creditors:
 - a. With respect to the financial creditors, the Parent had recognized additional liability of Rs. 203 lakhs (net of reversals and write back of liabilities), which represents the difference between borrowings and corresponding interest claims of the financial creditors admitted by the RP and the borrowings and interest accrued in the books as at 31 March, 2021. We are not provided with reconciliation along with reasons for this difference in order to ascertain the completeness and valuation of liabilities recognized by the Parent. Accordingly, we are not able to ascertain the impact on consolidated financial results. (Refer note 4(b) to consolidated financial results)
 - b. With respect to operational creditors, employees and other creditors of the Parent, the RP has received and assessed the claims and effect of the same will be given in the financial statements of parent for financial year 2022-23.
4. Provision for gratuity and compensated absences pertaining to the Shree Gopal Unit, Corporate Office and Kamalapuram Unit had been determined by the Parent's Management on an adhoc basis as at 31 March, 2021. Ind AS 19 'Employee Benefits' requires that the provision for long term employee benefits such as gratuity and compensated absences need to be determined based on Actuarial valuation.

Accordingly, the provision for long term employee benefits as at 31 March, 2021 is not in compliance with Ind AS 19 and we are unable to conclude on the adequacy of the provision for gratuity and compensated absences as at 31 March, 2021. The provision for gratuity which has been determined on an adhoc basis as at 31 March, 2021 is Rs 68 lakhs and reversal of provision for compensated absences is Rs. 52 lakhs. (Refer note no. 7 to the consolidated financial results).

5. The Parent had not performed impairment assessment of its investments as at 31 March, 2021 in line with the requirements of Ind AS 109 'Financial Instruments' and Ind AS 36 'Impairment of Assets'. Accordingly, we are unable to conclude on the carrying value of investments and the consequential impact, if any, on the consolidated financial results. (Refer note no. 8 to the consolidated financial results).

6. Confirmation of balances of Parent have not been received by us in respect of certain loans and advances, balances with banks, borrowings (including interest accrued thereon), dues to/from related parties, trade and other payables. The Parent's Management is in the process of obtaining confirmations and reconciliation of the balances. The impact of any change in the carrying amount of these balances on consolidated financial results which may arise as a result of such reconciliation is unascertainable. Therefore, we are unable to comment upon the appropriateness of carrying value of such balances on consolidated financial results. (Refer note no. 9 to the consolidated financial results)
7. The Parent had reclassified the land situated at Choudwar, Odisha, from 'Assets held for sale' to 'Property, Plant and Equipment' in Financial Year 2019-20. Ind AS 105 on 'Non-current assets held for sale and discontinued operations' requires that when a non-current asset ceases to be classified as 'Assets held for sale', the same shall be measured at the lower of:
- its carrying amount before the asset (or disposal group) was classified as held for sale, adjusted for any depreciation, amortisation or revaluations that would have been recognised had the asset not been classified as held for sale, and
 - its recoverable amount at the date of the subsequent decision not to sell;
- The Parent had not determined the recoverable amount as at the date of reclassification and had reclassified the land at its carrying value of Rs. 39,951 lakhs. The same is not in compliance with Ind AS 105 and therefore we are unable to ascertain its impact on consolidated financial results.
8. On account of the COVID-19 related lockdown restrictions, the Parent's management was unable to perform the physical count of inventories as at 31 March, 2021. Further, on account of the suspension of the operations of the Parent, we are unable to perform any alternate procedures to audit the existence of the inventories as per SA 501 'Audit Evidence - Specific Consideration for Selected Items' and 'Physical inventory verification - Key audit considerations amid COVID-19' issued by the Institute of Chartered Accountants of India. Therefore, we are unable to conclude whether inventories of Rs. 1650 lakhs are fairly stated as at 31 March, 2021 by the Parent and accordingly we are unable to conclude whether the inventories are fairly stated in the consolidated financial results.
9. Loan receivable by the Parent from related parties is Rs. 1,74,195 lakhs. The Parent has not created any additional provision for expected credit loss during the year. The provision for expected credit loss is Rs 42,211 Lakhs as at March 31, 2021. Since the Parent had not created any additional provision for expected credit loss, we are unable to conclude on the adequacy of the provision for expected credit loss and the recoverability of the balance receivable from the related parties. (Refer note no.10 to the consolidated financial results).

10. The Parent has carried forward deferred tax assets (net) of Rs. 11,924 lakhs from earlier years. The Parent suffered continuous losses and there is no assessment by the Parent's Management regarding reversal of deferred tax assets in the subsequent year. During the year Parent has not created any deferred tax asset or liability. As per Ind AS 12 "Income Taxes" an entity shall create deferred tax asset only if there will be sufficient taxable profits in the future years. In the absence of the Parent's management assessment, we are not able to satisfy ourselves about the future taxable profits of the company and hence we are unable to ascertain the realisation of these deferred tax assets in the consolidated financial results. (Refer note no.11 to the consolidated financial results)
11. Input Tax Credit (ITC) of Goods and Services Tax available as per books of accounts for Corporate Office of Parent is Rs. 51.50 Lakhs, the new management of Parent is under the process of reconciling the balance of ITC as per books and ITC as per electronic credit ledger. In absence of requisite information, we are unable to comment on the same.
12. During the financial year 2019-20, the Parent had received an Order from the Hon'ble Supreme Court of India confirming the grid support charges payable to Transmission Corporation of Andhra Pradesh Limited ("APTRANSCO"). The Parent had estimated the liability to be Rs. 1,516 Lakhs. Since no demand is received from APTRANSCO, the liability is not accrued and considered as a contingent liability as at 31 March 2020. As per the NCLT, Mumbai Order dated 31 March 2023 (updated on 13 April 2023), this was considered as an operational debt with an estimated liquidation value of nil. Therefore, no amount is payable in relation thereto and accordingly, this is not considered as contingent liability in the books of Parent & also in consolidated financial results as at 31 March 2021.
13. We have not been provided with the bank reconciliation statements for 11 bank accounts maintained by the Parent having a carrying amount of Rs. 11.02 Lakhs as at 31 March 2021. Also, the balance confirmation certificate has not been provided by Parent for any bank account maintained. The consequential impact, if any, on consolidated financial results is not ascertainable. (Refer note no. 12 to the consolidated financial results).
14. We have not been provided with the bank reconciliation statements for 5 bank accounts maintained by the Parent related to unpaid dividend having a carrying amount of Rs. 27.59 Lakhs as at 31 March 2021. Also, the balance confirmation certificate has not been provided by the Parent for any of the account maintained. The consequential impact, if any, on consolidated financial results is not ascertainable. (Refer note no. 13 to the consolidated financial results).
15. We have not been provided with the details of bank deposits of Parent with original maturity exceeding 3 months as at March 31, 2021. Also, neither the balance confirmation certificate nor interest certificate has been provided by Parent for any of the Bank Deposit. The consequential impact, if any, on consolidated financial results is not ascertainable. (Refer note no. 14 to the consolidated financial results).

16. The Parent has migrated its accounting system from previously used Oracle System to Tally accounting system during the current financial year. The Oracle licenses expired during the CIRP period and were not renewed, also the migration audit was not performed by the Parent. As a result, the completeness and accuracy of the data migration from Oracle to Tally could not be confirmed. Additionally, the Parent was unable to identify and transfer individual balances for debtors, creditors, loans, and related parties. Consequently, we were unable to obtain sufficient appropriate audit evidence to support the consolidated financial results. (Refer note no. 15 to the consolidated financial results)
17. The Financial Statements of 2 step down foreign subsidiaries (Mirabelle Trading Pte. Ltd., and Bilt General Trading FZE) and 1 domestic subsidiary (Avantha Agritech Ltd) which have a total assets base of Rs. 67,542 lakhs and which are material to the group are unaudited. We also did not receive the management certified financial statements of these subsidiaries hence we are unable to comment upon the authenticity of the data and the reasonableness of consolidation of these subsidiaries in the consolidated financial results. As the financial statements of these 2 foreign subsidiaries 1 domestic subsidiary are not available, hence the asset bases of Mirabelle Trading Pte. Ltd. and Avantha Agritech Ltd as on 31.3.20 and of Bilt General Trading FZE as on 31.3.19 have been considered for the consolidation purpose (Refer note no. 17 & 3.1 to the consolidated financial results)
18. One of the foreign subsidiary Ballarpur Speciality Paper Holdings B.V. has fully written off its investment in BILT General Trading FZE, UAE ("BGT") in financial year 2019-20 as BGT does not carry on any operations and there is no intention to carry on the business in future and also the license of BGT was expired. However, we are not provided with the sufficient information and documents related to closure of business of BGT and therefore, we are unable to comment upon reasonableness of consolidation of BGT in the consolidated financial results. (Refer note no. 18 to the consolidated financial results)
19. The Company has not filed its Quarterly financial results with the stock exchanges for the current financial year as required under regulation 33 and 52 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015.

Material Uncertainty relating to Going Concern

We draw attention to Note 5 of the accompanying consolidated financial results of the Group, which contains conditions along with other matters which indicate that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern.

- **BILT Holding Company's** net worth is negative as on the reporting date and it continues to incur heavy losses. There is persistent severe strain on the working capital and this has resulted in considerable decline in the level of operations of the Company. As stated in note 4(a) to the consolidated financial results pursuant to commencement of CIRP, the Board of Directors of the Company stood suspended and the management of the Company vested with the Resolution Professional (RP). The RP was expected to make every endeavour to protect and preserve the value of the property of the Company and

manage the operations of the Company as a going concern. Even though the Resolution Plan has been Approved by the Hon'ble National Company Law Tribunal, Mumbai on the 31 March, 2023 but still there exists Material Uncertainty on Going concern of the company as we are unable to obtain sufficient and appropriate audit evidence to conclude on the appropriateness of use of going concern assumption in the preparation of consolidated financial results.

- **Ballarpur International Holdings B.V. (BIH)** - During the year the Company has total comprehensive loss of Rs. 4,188.76 Lakhs (Previous year total comprehensive loss of Rs. 1,86,075.72 Lakhs). As the management believes that, negative working capital would not cause economic difficulties, in view of the Management's expectation the financial statements have been prepared on a going concern basis.
- **Ballarpur Speciality Paper Holdings B.V. (BSPH)** - During the year the Company has Total Comprehensive Income of Rs.16.18 Lakhs (Previous year Total Comprehensive loss of Rs. 26.92 Lakhs). As at 31 March, 2021, the accumulated losses (including other comprehensive Income/loss) of the Company are Rs. 272.80 Lakhs (Previous Year Rs 2,88.98 Lakhs). which have fully eroded the net worth of the Company and the Company's current liabilities exceeded its current assets by Rs.260.08 Lakhs (Previous Year Rs. 2,76.25 Lakhs). The management believes that, negative working capital would not cause economic difficulties, in view of the Management's expectation of above the financial statements have been prepared on a going concern basis.
- **Bilt Paper B.V. (BPBV)** - During the year the Company has total comprehensive loss of Rs.741.81 Lakhs (Previous year total comprehensive loss of Rs 2,53,962.97 Lakhs). The opinion of auditors of Bilt Paper B.V. and Ballarpur Speciality Paper Holdings B.V. is not modified in respect of this matter.
- c) We draw attention to the following matter related to the definition of "control" as outlined in the Shareholder Agreement dated 14th August 2015 between BILT Paper BV, its Shareholders and its lenders:

Pursuant to the agreement, the term "control" is defined as follows:

- i. The possession, directly or indirectly, whether individually or jointly by other persons, of the power to direct or cause the direction of the management and policies of such person, whether through the ownership of shares or

- voting power, by agreement or otherwise or the power to elect more than one-half of the directors, partners or other individuals exercising similar authority with respect to such person, or

 - iii. the ownership of such shares in that person entitling the shareholder to at least 50 per cent. (50%) of income or capital distributions, and the terms "Controlled" and "Controlling" shall be construed accordingly;

In this case, the 21.5% of shareholding of BILT Paper B.V("BP B.V") Subsidiary of Ballarpur International Holdings B.V were pledged by Ballarpur International Holdings B.V("BIH B.V") to Orbit Investment Securities Plc and Varanium India Opportunity, enabling Orbit Investment Securities Plc and Varanium India Opportunity to invoke BIH B.V's voting rights in BP B.V upon the invocation due to event of Default. However, the ownership of the shares remains with BIH B.V. Based on the definition of "control" as outlined in the agreement, BIH B.V continues to hold control over BP B.V. Therefore, BP B.V remains a subsidiary of BIH B.V and a step-down subsidiary of Ballarpur Industries Limited ("BILT"). Consequently, the Consolidated Financial Statements (CFS) have been prepared accordingly. (Refer Note No.21 to the Consolidated Financial Results)

- d) Bilt Paper BV (BPPV), Subsidiary of Ballarpur International Holding B.V (BIH) and erstwhile Parent Company of Ballarpur Paper Holdings BV (BPHBV), had pledged 70% of its shareholding in BPHBV with EC Holdings Pte. Ltd & EISAF II Pte. Ltd towards financial facilities provided by the EC Holdings Pte. Ltd & EISAF II Pte. Ltd to BPHBV. In February 2021, the pledge was invoked by the EC Holdings Pte. Ltd & EISAF II Pte. Ltd and the voting rights attached to the pledged shares has been transferred to the EC Holdings Pte. Ltd & EISAF II Pte. Ltd. The Company has reassessed the relationship status and concluded that there is no shareholder agreement or any similar document made available to the new management of Parent in respect of shareholding of BPHBV which would govern the interse rights between shareholders and management of BPHBV. Thus, BPPV ceased to control the BPHBV consequent to invocation of the pledge in February 2021. This change in control has been reflected in the preparation of the consolidated financial results of the Parent company. (Refer note 3.1 to the Consolidated Financial Results)

Based on the financial information provided to us by the Parent, these reflects total assets (before Consolidation adjustments) of Rs. 67,542 Lakhs as at 31 March 2021, total revenue (before Consolidation adjustments) of Rs. Nil; the net cash outflows cannot be ascertained as the same have not been prepared neither provided to us for the purpose of consolidation of the financial results for the year ended on that date, as considered in the consolidated financial results. The financial statements of these 2 foreign subsidiaries 1 domestic subsidiary are not available, hence the asset bases of Mirabelle Trading Pte. Ltd. and Avantha Agritech Ltd as on 31.3.20 and of Bilt General Trading FZE as on 31.3.19 have been considered for the consolidation purpose. The financial statements of these subsidiaries are unaudited nor certified by the management of these subsidiaries and have been furnished to us by the Parent's management and our opinion on the consolidated financial results, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, is based solely on such unaudited financial statements which are furnished to us by the management of the Parent entity.

Notes:

1. The above consolidated financial results have been prepared in accordance with the Indian Accounting Standards (IND AS) prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder & other accounting principles generally accepted in India.

The new management of the Parent has transferred the books of accounts of the Parent from the erstwhile Oracle Software to Tally Software. As the Parent has not been able to retrieve the detailed books of accounts from the Oracle Software hence, it is not feasible for the Parent to compile and provide the complete quarterly financial results for the relevant period, as only the Control General Ledgers (GLs) were accessible from Oracle and transferred to Tally. Additionally, the necessary provision entries, adjustments, and ledger-wise accounting were not recorded in their original form, making it impractical to prepare the quarterly results, hence the above consolidated financial results are not in compliance with Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

2. The above consolidated financial results have been reviewed and recommended by the Audit Committee and subsequently approved by the Board of Directors at their respective meetings held on 16th April 2025.
3. The Company was admitted to corporate insolvency resolution by an order dated January 17, 2020 passed by the Hon'ble National Company Law Tribunal, Mumbai ("NCLT") vide order dated 17th January, 2020 under the Insolvency and Bankruptcy Code, 2016 ("IBC"). The Company has been acquired by Finquest Financial Solutions Private Limited on an "as-is where-is" basis, pursuant to a resolution plan approved by the Hon'ble NCLT vide order dated 31st March 2023. The closing date in terms of the Resolution Plan occurred on 12th June 2023 and a new board of Directors have been appointed vide resolution dated 12th June 2023 and it was on this date that the current directors and key managerial personnel of the Company took charge of the Company.

In terms of the IBC, the erstwhile resolution professional ("RP") was vested with management of affairs of the Company and having rights to exercise powers of board of directors, was responsible for complying with the requirements under the laws, which includes preparing the Company's Consolidated Financial Statements for the corporate insolvency resolution process period commencing on January 17, 2020 till March 31, 2023 covering the financial years 2020-21, 2021-22 & 2022-23 and part of financial year 2023-24. However, the said financial statements have not been prepared, audited, approved & filed with the jurisdictional registrar of companies ("ROC") by the RP, as is required under the relevant provisions of the Companies Act, 2013 ("Companies Act"). Based on which the Company have filed an application (I.A. no. 2492 of 2024 in C.P. No. 2915 of 2019) before Hon'ble NCLT asking for certain extensions & exemption on compliances, the same is pending as on date.

In order to meet statutory compliance requirements, the current directors of the company are required to approve the accounts of the company for the financial year ended 31st March 2021. The said accounts pertain to the period prior to the appointment of the current directors and key managerial personnel of the company and the current directors and key managerial personnel had no role to play during the period covered by the said accounts either in the management of the Company or perusing or scrutinizing the accounts. However, the financial accounts of the Company for the said period are required to be signed and filed in order to fulfil

various compliances and hence the directors and key managerial personnel are signing the said financial statements in good faith with the sole objective of fulfilling statutory compliances without incurring any responsibility or liability for the same or any part thereof, as per Clause 4.9.2, 4.17.4 & such other terms of the approved Resolution Plan.

The current directors and key managerial personnel have, in this regard, relied solely and exclusively on the books, papers, records and other information, documents, clarifications, representations, communications, notices &/or certifications (collectively, "Books & Records") handed over and furnished to them by or on behalf of the RP and/or the respective subsidiaries/associates. The current directors and key managerial personnel have approved and/or signed the financial statement on the assumption that the Books and Records provided to them:

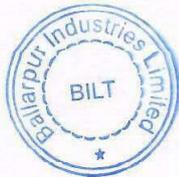

- i. are genuine, correct and accurate;
- ii. are complete;
- iii. have been prepared and maintained in accordance with the applicable accounting standards, policies and conventions; and
- iv. are not in any way fraudulent or misleading.

With respect to the consolidated financial statements for the company for FY 31st March 2021, the same is being signed by Mr. Hardik B Patel (Whole Time Director & Chairman), Mr. BSP Murthy (Non-Executive Director) and Mr. Punit A. Bajaj, Company Secretary of the company (collectively Signatories), solely for the purpose of ensuring compliance by the company with applicable laws & subject to following disclaimers:

- i. The Signatories are signing the financial statements in good faith without admitting any liability and accordingly, no suit, prosecution or other legal proceeding shall lie against him/ them;

Accordingly, the Signatories are not making any representations regarding accuracy, veracity or completeness of the data or information in the said financial statements.

2. matters that requires specific disclosure in the subject accounts, including (without limitation) identification of related parties & related party transactions; and
3. matters concerning maintenance of internal controls, systems & processes; the Signatories relied upon the accounts & financial statements of all the subsidiaries & related parties being duly & properly prepared, verified & approved in

accordance with the applicable laws including the relevant accounting standard, for the purpose of consolidation of such financial statements & preparation of the Subject Accounts.

BILT has made efforts to get audited financial information from all subsidiaries and associates but there is lack of required financial data and information from the erstwhile management of such subsidiaries and associates which is creating obstacles in finalizing the consolidated financial statements of BILT.

4. Provision for gratuity and compensated absences pertaining to the Shree Gopal Unit, Corporate Office and Kamalapuram Unit had been determined by the Parent's Management on an adhoc basis as at 31 March, 2022. Ind AS 19 'Employee Benefits' requires that the provision for long term employee benefits such as gratuity and compensated absences need to be determined based on Actuarial valuation.

Accordingly, the provision for long term employee benefits as at 31 March, 2022 is not in compliance with Ind AS 19 and we are unable to conclude on the adequacy of the provision for gratuity and compensated absences as at 31 March, 2022. The reversal of provision for gratuity and compensated absences based on Parent's management internal estimation as at 31 March, 2022 is Rs 607 lakhs and Rs. 42 lakhs respectively. (Refer note no. 7 to the consolidated financial results).
5. Confirmation of balances of Parent have not been received by us in respect of certain loans and advances, balances with banks, borrowings (including interest accrued thereon), dues to/from related parties, trade and other payables. The Parent is in the process of obtaining confirmations and reconciliation of the balances. The impact of any change in the carrying amount of these balances on the consolidated financial results which may arise as a result of such reconciliation is unascertainable and therefore, we are unable to comment upon the appropriateness of carrying value of such balances in the consolidated financial results. (Refer note no. 9 to the consolidated financial results)
6. The Parent had reclassified the land situated at Choudwar, Odisha, from 'Assets held for sale' to 'Property, Plant and Equipment' in financial year 2019-2020. Ind AS 105 on 'Non-current assets held for sale and discontinued operations' requires that when a non-current asset ceases to be classified as 'Assets held for sale', the same shall be measured at the lower of:

- a. its carrying amount before the asset (or disposal group) was classified as held for sale, adjusted for any depreciation, amortisation or revaluations that would have been recognised had the asset not been classified as held for sale, and
- b. its recoverable amount at the date of the subsequent decision not to sell;

The Parent had not determined the recoverable amount as at the date of reclassification and had reclassified the land at its carrying value of Rs. 39,951 lakhs. The same is not in compliance with Ind AS 105 and therefore we are unable to ascertain its impact on consolidated financial results.

7. We are appointed as auditors of the Parent on September 10, 2024 and therefore we are unable to satisfy ourself by performing alternative procedures regarding the inventory quantities held by parent and valuation as at March 31, 2022, as per SA 501 'Audit Evidence – Specific Consideration for selected item'. Therefore, we are unable to conclude whether the inventories of Rs 1,669 Lakhs are fairly stated by Parent as at 31 March, 2022. Additionally, we are unable to ascertain the impact of this on Consolidated Financial results.
8. Loan receivable by the Parent from related parties is Rs. 1,74,195 lakhs. The parent has not created any additional provision for expected credit loss during the year. The provision for expected credit loss is Rs 42,211 Lakhs as at March 31, 2022. Since the Parent had not created any additional provision for expected credit loss, we are unable to conclude on the adequacy of the provision for expected credit loss and the recoverability of the balance's receivable from the related parties. (Refer note no.10 to the consolidated financial results)
9. The Parent has carried forward deferred tax assets (net) of Rs. 11,924 lakhs from earlier years. The Parent suffered continuous losses and there is no assessment by the Parent's new management regarding reversal of deferred tax assets in the subsequent year. During the year Parent has not created any deferred tax asset or liability. As per Ind AS 12 "Income Taxes" an entity shall create deferred tax asset only if there will be sufficient taxable profits in the future years. In the absence of the Parent's management assessment, we are not able to satisfy ourselves about the future taxable profits of the company and hence we are unable to ascertain the realisation of these deferred tax assets in the consolidated financial results. (Refer note no.11 to the consolidated financial results)
10. Input Tax Credit (ITC) of Goods and Services Tax available as per books of accounts for Parent is Rs. 1,175 Lakhs, the new management of Parent is under the process of reconciling the balance of ITC as per books and ITC as per electronic credit ledger. In absence of requisite information, we are unable to comment on the same.
11. During the financial year 2019-20, the Parent had received an Order from the Hon'ble Supreme Court of India confirming the grid support charges payable to Transmission Corporation of Andhra Pradesh Limited ("APTRANSCO"). The Parent had estimated the liability to be Rs. 1,516 Lakhs. Since no demand is received from APTRANSCO, the

liability is not accrued and considered as a contingent liability as at 31 March 2020. As per the NCLT, Mumbai Order dated 31 March 2023 (updated on 13 April 2023), this was considered as an operational debt with an estimated liquidation value of nil. Therefore, no amount is payable in relation thereto and accordingly, this is not considered as contingent liability in the books of Parent & also in consolidated financial results as at 31 March 2022.

12. We have not been provided with the bank reconciliation statements for 11 bank accounts maintained by the Parent having a carrying amount of Rs. 9.07 Lakhs as at 31 March 2022. Also, the balance confirmation certificate has not been provided for any bank account maintained. Therefore, the consequential impact, if any on the consolidated financial results, is not ascertainable. (Refer note no. 12 to the consolidated financial results).
13. We have not been provided with the bank reconciliation statements for 5 bank accounts maintained by the Parent related to unpaid dividends having a carrying amount of Rs. 27.59 Lakhs as at 31 March 2022. Therefore, the consequential impact, if any on the consolidated financial results, is not ascertainable. (Refer note no. 13 to the consolidated financial results).
14. We have not been provided with the details of bank deposits of Parent with original maturity exceeding 3 months but less than 12 months as at March 31, 2022. Also, neither the balance confirmation certificate nor interest certificate has been provided by Parent for any of the Bank Deposits. Therefore, the consequential impact, if any on the consolidated financial results, is not ascertainable. (Refer note no. 14 to the consolidated financial results).
15. The Parent has migrated its accounting system from Oracle to Tally accounting system. The Oracle licenses expired during the CIRP period and were not renewed, also the migration audit was not performed by the parent. As a result, the completeness and accuracy of the data migration from Oracle to Tally could not be confirmed. Additionally, the Parent was unable to identify and transfer individual balances for debtors, creditors, loans, and related parties. Consequently, we were unable to obtain sufficient appropriate audit evidence to support the consolidated financial results. (Refer note no. 15 to the consolidated financial results)
16. The Financial Statements of 2 step down foreign subsidiaries (Mirabelle Trading Pte. Ltd., and Bilt General Trading FZE) and 1 domestic subsidiary (Avantha Agritech Limited) which have a total assets base of Rs. 67,542 lakhs and which are material to the group are unaudited. We also did not receive the management certified financial statements of these subsidiaries hence we are unable to comment upon the authenticity of the data and the reasonableness of consolidation of these subsidiaries in the consolidated financial results. As the financial statements of these 2 foreign subsidiaries 1 domestic subsidiary are not available, hence the asset bases of Mirabelle Trading Pte. Ltd. and Avantha Agritech Ltd

as on 31.3.20 and of Bilt General Trading FZE as on 31.3.19 have been considered for the consolidation purpose (Refer note no. 3.1 to the consolidated financial results)

17. One of the foreign subsidiary Ballarpur Speciality Paper Holdings B.V. has fully written off its investment in BILT General Trading FZE, UAE ("BGT") in financial year 2019-20 as BGT does not carry on any operations and there is no intention to carry on the business in future and also the license of BGT was expired. However, we are not provided with the sufficient information and documents related to closure of business of BGT and therefore, we are unable to comment upon reasonableness of consolidation of BGT in the consolidated financial results. (Refer note no. 17 to the consolidated financial results)
18. The Company has not filed its Quarterly financial results with the stock exchanges for the current financial year as required under regulation 33 and 52 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015.

Material Uncertainty relating to Going Concern

We draw attention to Note 5 of the accompanying consolidated financial results of the Group, which contains conditions along with other matters which indicate that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern.

- **BILT Holding Company's** net worth is negative as on the reporting date and it continues to incur heavy losses. There is persistent severe strain on the working capital and this has resulted in considerable decline in the level of operations of the Company. As stated in note 4(a) to the consolidated financial results pursuant to commencement of CIRP, the Board of Directors of the Company stood suspended and the management of the Company vested with the Resolution Professional (RP). The RP was expected to make every endeavour to protect and preserve the value of the property of the Company and manage the operations of the Company as a going concern. Even though the Resolution Plan has been Approved by the Hon'ble National Company Law Tribunal, Mumbai on the 31 March, 2023 but still there exists Material Uncertainty on Going concern of the company as we are unable to obtain sufficient and appropriate audit evidence to conclude on the appropriateness of use of going concern assumption in the preparation of consolidated financial results.
- **Ballarpur International Holdings B.V. (BIH)** - During the year the Company has total comprehensive profit of Rs. 98,265 Lakhs (Previous year total comprehensive loss of Rs. 4,189 Lakhs). As at 31 March, 2022, the accumulated losses (including other comprehensive loss) of the Company are Rs 1,13,205 Lakhs (Previous Year Rs. 2,11,470 Lakhs). which have fully eroded the net worth of the Company and the Company's current liabilities exceeded its current assets by Rs. 1,23,473 Lakhs (Previous Year Rs. 1,12,822 Lakhs). As the management believes that, negative working capital would not cause economic difficulties, in view of the Management's expectation of above the financial statements have been prepared on a going concern basis.

- **Ballarpur Speciality Paper Holdings B.V. (BSPH)** - During the year the Company has Total Comprehensive loss of Rs. 38 Lakhs (Previous year Total Comprehensive profit of Rs. 16 Lakhs). As at 31 March, 2022, the accumulated losses (including other comprehensive Income/loss) of the Company are Rs. 311 Lakhs (Previous Year Rs 273 Lakhs). which have fully eroded the net worth of the Company and the Company's current liabilities exceeded its current assets by Rs. 298 Lakhs (Previous Year Rs. 260 Lakhs). As the management believes that, negative working capital would not cause economic difficulties, in view of the Management's expectation of above the financial statements have been prepared on a going concern basis.
- **Bilt Paper B.V. (BPBV)** - During the year the Company has total comprehensive profit of Rs.1,56,114 Lakhs (Previous year total comprehensive loss of Rs 742 Lakhs). As at 31 March, 2022, the accumulated losses (including other comprehensive loss) of the Company were Rs. 88,862 Lakhs (Previous Year Rs. 2,20,353 Lakhs) which have fully eroded the net worth of the Company and the Company's current liabilities exceeded its current assets by Rs. 1,24,676 Lakhs (Previous Year Rs. 96,488 Lakhs). As the management believes that, negative working capital would not cause economic difficulties, in view of the Management's expectation of above the financial statements have been prepared on a going concern basis.

Emphasis of Matter

- a) We draw attention to note no. 18 (a, b, & c) of the consolidated financial results, which states that in respect of Bilt Paper B.V., Ballarpur Speciality Paper Holdings B.V., Ballarpur International Holdings B.V., certain balances of related parties and other parties shown in

other payables are subject to reconciliation/ confirmation. Consequential impact if any arising from such confirmation/ reconciliation/ adjustment of such balances is not ascertainable. However, as represented by Management, any potential adjustments arising therefrom are not expected to have material impact on the loss (including other loss), other equity, assets and liabilities as at the balance sheet date. Our Opinion is not modified in respect of this matter.

- b) Bilt Paper BV (BPBV), Subsidiary of Ballarpur International Holding B.V (BIH) and erstwhile Parent Company of Ballarpur Paper Holdings BV (BPHBV), had pledged 70% of its shareholding in BPHBV with EC Holdings Pte. Ltd & EISAF II Pte. Ltd towards financial facilities provided by the EC Holdings Pte. Ltd & EISAF II Pte. Ltd to BPHBV. In February 2021, the pledge was invoked by the EC Holdings Pte. Ltd & EISAF II Pte. Ltd and the voting rights attached to the pledged shares has been transferred to the EC Holdings Pte. Ltd & EISAF II Pte. Ltd. The Company has reassessed the relationship status and concluded that there is no shareholder agreement or any similar document made available to the new management of Parent in respect of shareholding of BPHBV which would govern the interse rights between shareholders and management of BPHBV. Thus, BPBV ceased to control the BPHBV consequent to invocation of the pledge in February 2021. This change in control has been reflected in the preparation of the consolidated financial results of the Parent company. (Refer note 3.1 to the Consolidated Financial Results)

Notes:

1. The above consolidated financial results have been prepared in accordance with the Indian Accounting Standards (IND AS) prescribed under section 133 of the Companies Act, 2013 ("the Act") read with relevant rules issued thereunder & other accounting principles generally accepted in India.

The new management of the Parent has transferred the books of accounts of the Parent from the erstwhile Oracle Software to Tally Software. As the Parent has not been able to retrieve the detailed books of accounts from the Oracle Software hence, it is not feasible for the Parent to compile and provide the complete quarterly financial results for the relevant period, as only the Control General Ledgers (GLs) were accessible from Oracle and transferred to Tally. Additionally, the necessary provision entries, adjustments, and ledger-wise accounting were not recorded in their original form, making it impractical to prepare the quarterly accounts, hence the above consolidated financial results are not in compliance with Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

2. The above consolidated financial results have been reviewed and recommended by the Audit Committee and subsequently approved by the Board of Directors of the company at their respective meetings held on 16th April 2025.

3. The Company was admitted to corporate insolvency resolution by an order dated January 17, 2020 passed by the Hon'ble National Company Law Tribunal, Mumbai ("NCLT") vide order dated 17th January, 2020 under the Insolvency and Bankruptcy Code, 2016 ("IBC"). The Company has been acquired by Finquest Financial Solutions Private Limited on an "as-is where-is" basis, pursuant to a resolution plan approved by the Hon'ble NCLT vide order dated 31st March 2023. The closing date in terms of the Resolution Plan occurred on 12th June 2023 and a new board of Directors have been appointed vide resolution dated 12th June 2023 and it was on this date that the current directors and key managerial personnel of the Company took charge of the Company.

In terms of the IBC, the erstwhile resolution professional ("RP") was vested with management of affairs of the Company and having rights to exercise powers of board of directors, was responsible for complying with the requirements under the laws, which includes preparing the Company's Consolidated Financial Statements for the corporate insolvency resolution process period commencing on January 17, 2020 till March 31, 2023 covering the financial years 2020-21, 2021-22 & 2022-23 and part of financial year 2023-24. However, the said financial statements have not been prepared, audited, approved & filed with the jurisdictional registrar of companies ("ROC") by the erstwhile resolution professional, as is required under the relevant provisions of the Companies Act, 2013 ("Companies Act"). Based on which the Company have filed an application (I.A. no. 2492 of 2024 in C.P. No. 2915 of 2019) before Hon'ble NCLT asking for certain extensions & exemption on compliances, the same is pending as on date.

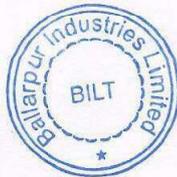

In order to meet statutory compliance requirements, the current directors of the company are required to approve the accounts of the company for the financial year ended 31st March 2022. The said accounts pertain to the period prior to the appointment of the current directors and key managerial personnel of the company and the current directors and key managerial personnel had no role to play during the period covered by the said accounts either in the management of the Company or perusing or scrutinizing the accounts. However, the financial accounts of the Company for the said period are required to be signed and filed in order to fulfil various compliances and hence the directors and key managerial personnel are signing the said financial statements in good faith with the sole objective of fulfilling statutory compliances without incurring any responsibility or liability for the same or any part thereof, as per Clause 4.9.2, 4.17.4 & such other terms of the approved Resolution Plan.

	Qualification 1			
	a.	Details of Audit Qualification: Even though the resolution plan of the Parent has been approved by the Hon'ble National Company Law Tribunal, Mumbai bench on 31 st March, 2023, but still there exists material uncertainty related to going concern of the Group as we are unable to obtain sufficient and appropriate audit evidence to conclude on the appropriateness of the use of going concern assumption in the preparation of consolidated financial results.		
	b.	Type of audit Qualification: Disclaimer of Opinion		
	c.	Frequency of qualification: The qualification is continuing since financial year 2019-20 in the Consolidated financial results		
	d.	For Audit Qualification(s) where impact is quantified by the auditor, Management's views: Not Quantified by the Auditors		
	e.	For Audit Qualification(s) where impact is not quantified by the auditor:		
		(i) Management's estimation on the impact of qualification: N.A.		
		(ii) If management is unable to estimate the impact, reasons for the same:		

	<p>The Company's Network is negative as on the reporting date and it continues to incur heavy losses. There was persistent severe strain on the working capital, and this has resulted in a considerable decline in the level of operations of the Company during CIRP. As stated in note 4 of financial results, pursuant to commencement of CIRP, the Board of Directors of the Company stand suspended, and the management of the Company was vested with the RP.</p> <p>Further, the CIRP process of the Company has been concluded, and Ballarpur Industries Limited ("BILT/Company") has been acquired by Finquest Financial Solutions Private Limited on an "as-is where-is" basis, pursuant to a resolution plan approved by the Hon'ble NCLT vide order dated 31st March 2023. The Closing Date in terms of the Resolution Plan occurred on 12th June 2023 and a new Board of Directors have been appointed vide resolution dated 12th June 2023. As on date, the Resolution Plan has been adhered to. Thus, post write back of the liabilities the new management is confident to continue on Going concern basis post re-starting the operations. The primary factor for the company to continue as a Going concern would be restarting of the manufacturing operations.</p>
	(iii) Auditors comment on (i) and (ii) above: Impact is not determinable
Qualification 2	
a.	<p>Details of Audit Qualification:</p> <p>The Parent has not accrued the liability towards outstanding put options and the management is unable to quantify the liability with respect to the outstanding put options. Accordingly, we are unable to quantify the impact on consolidated financial results.</p>
b.	Type of audit Qualification: Disclaimer of Opinion
c.	Frequency of qualification: The qualification is continuing since financial year 2019-20 in the Consolidated financial results
d.	For Audit Qualification(s) where impact is quantified by the auditor, Management's views: Not Quantified by the Auditors
e.	For Audit Qualification(s) where impact is not quantified by the auditor:
	(i) Management's estimation on the impact of qualification: N.A
	<p>(ii) If management is unable to estimate the impact, reasons for the same:</p> <p>The parent had written put options in favor of investors of Bilt Paper B.V., a step-down subsidiary of the parent, which requires the parent to comply with the certain conditions within a stipulated time. Since the conditions were not met, the parent is required to acquire the shares from the investors of Bilt Paper B.V. at a premium of 20% internal rate of return (IRR) on the value of the options as per the terms of the options upon exercise of these options.</p> <p>The exercise period has commenced, and the option holders have not exercised the options as at 31st March, 2022. Pending conclusion of the CIRP proceedings, the parent is unable to determine the potential outflow arising from exercise of the option by the holder and has accordingly not recognised any liability in these financial statements for the option. Also as per the resolution plan approved by the Hon'ble National Company</p>

	Law Tribunal, Mumbai Bench on 31 st March, 2023 there is no provision for the satisfaction of such claim.
	(iii) Auditors comment on (i) and (ii) above: Impact is not determinable
Qualification 3

d.	For Audit Qualification(s) where impact is quantified by the auditor, Management's views: Not Quantified by the Auditors
e.	For Audit Qualification(s) where impact is not quantified by the auditor:
	(i) Management's estimation on the impact of qualification: NA
	(ii) If management is unable to estimate the impact, reasons for the same: The National Company Law Tribunal ("NCLT"), Mumbai bench, vide its order dated 17 th January 2020 ("Insolvency Commencement Order") had initiated Corporate Insolvency Resolution Process ("CIRP") against the company. Hon'ble NCLT vide its order dated 27 May 2020 had appointed Mr. Anuj Jain (IBBI/ IPA-001/ IP-P00142/ 2017-2018/10306) as Resolution Professional of the Company. The powers of the board vested with Resolution Professional during the Resolution Process. During the Corporate Insolvency Resolution (CIR) Process (i.e. between 27 th May 2020 and 31 st March 2023) the RP was entrusted with the management of the affairs of the Company. The resolution plan was approved in accordance with Section 31 of the Insolvency and Bankruptcy Code, on 31 st March 2023 with Finquest Financial Solutions Private Limited being the successful Resolution Applicant and all necessary statutory and regulatory approvals have been obtained. In accordance with the Insolvency and Bankruptcy Code, 2016 ("the Code"), the Hon'ble National Company Law Tribunal, Mumbai bench ("NCLT") admitted a petition for corporate insolvency resolution process ("CIRP") filed by M/s. Because of the significance of the matters described in basis for disclaimer of opinion, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion as to whether the Statement:

- b) gives a true and fair view in conformity with the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India of the net profit and total comprehensive income and other financial information of the Company for the year ended 31 March, 2023.

Basis for Disclaimer of Opinion

1. Even though the resolution plan of the Parent has been approved by the Hon'ble National Company Law Tribunal, Mumbai bench on 31 March, 2023, but still there exists material uncertainty related to going concern of the Group as we are unable to obtain sufficient and appropriate audit evidence to conclude on the appropriateness of the use of going concern assumption in the preparation of consolidated financial results. 2. Confirmation of balances of Parent have not been received by us in respect of certain loans and advances, balances with banks, borrowings (including interest accrued thereon), dues to/from related parties, trade and other payables. Therefore, the consequential impact, if any on the Consolidated Financial Results, is not ascertainable (Refer note no. 7 to the consolidated financial results)
3. We are appointed as auditors of the Parent on September 10, 2024 and therefore we are unable to satisfy ourselves by performing alternative procedures regarding the inventory quantities held by Parent and valuation as at March 31, 2023, as per SA 501 'Audit Evidence – Specific Consideration for selected item'. Accordingly, we are unable to conclude whether the inventories of Rs 1,668 Lakhs are fairly stated as at 31 March, 2023 in the books of Parent and unable to ascertain the impact of this on Consolidated Financial Results.
4. The Parent has carried forward deferred tax assets (net) of Rs. 11,924 lakhs from earlier years. The Parent suffered continuous losses and there is no assessment by the Parent's management regarding reversal of deferred tax assets in the subsequent year. During the year Parent has not created any deferred tax asset or liability. As per Ind AS 12 "Income Taxes" an entity shall create deferred tax asset only if there will be sufficient taxable profits in the future years. In the absence of the Parent's management assessment, we are not able to satisfy ourselves about the future taxable profits of the Parent and hence we are unable to ascertain the realisation of these deferred tax assets in the Consolidated Financial Results. (Refer note no.8 to the consolidated financial results)
5. Input Tax Credit (ITC) of Goods and Services Tax available as per books of accounts for Parent is Rs. 1,211 Lakhs. The new management of Parent is under the process of reconciling the balance of ITC as per books and ITC as per electronic credit ledger. In absence of requisite information, we are unable to comment the impact of the same on the Consolidated Financial Results.
6. We have not been provided with the bank reconciliation statements for 11 bank accounts maintained by the Parent having a carrying amount of Rs. 9.07 Lakhs as at 31 March 2023. Also, the balance confirmation certificate has not been provided for any bank account maintained by the Parent. Therefore, the consequential impact, if any on the Consolidated Financial Results is not ascertainable. (Refer note no. 11 to the consolidated financial results).
7. We have not been provided with the bank reconciliation statements for 5 bank accounts maintained by the Parent related to unpaid dividend having a carrying amount of Rs. 27.59 Lakhs as at 31 March 2023. Therefore, the consequential impact, if any on the Consolidated Financial Results, is not ascertainable. (Refer note no. 12 to the consolidated financial results).

8. We have not been provided with the details of bank deposits of Parent with original maturity exceeding 3 months but less than 12 months as at March 31, 2023. Also, neither the balance confirmation certificate nor the interest certificate has been provided for any of the Bank Deposits by the Parent. Therefore, the consequential impact, if any on the Consolidated Financial Results, is not ascertainable. (Refer note no. 13 to the Consolidated Financial Results).
9. The Parent migrated its accounting system from Oracle to Tally accounting system. The Oracle licenses expired during the CIRP period and were not renewed, also the migration audit was not performed by the Parent. As a result, the completeness and accuracy of the data migration from Oracle to Tally could not be confirmed. Additionally, the Parent was unable to identify and transfer individual balances for debtors, creditors, loans, and related parties. Consequently, we were unable to obtain sufficient appropriate audit evidence to support the consolidated financial results. (Refer note no. 14 to the consolidated financial results).
10. The Financial Statements of 2 step down foreign subsidiaries (Mirabelle Trading Pte. Ltd., and Bilt General Trading FZE) and 1 domestic subsidiary (Avantha Agritech Limited) which have a total assets base of Rs. 67,542 lakhs and which are material to the group are unaudited. We also did not receive the management certified financial statements of these subsidiaries hence we are unable to comment upon the authenticity of the data and the reasonableness of consolidation of these subsidiaries in the consolidated financial results. As the financial statements of these 2 foreign subsidiaries 1 domestic subsidiary are not available, hence the asset bases of Mirabelle Trading Pte. Ltd. and Avantha Agritech Ltd as on 31.3.20 and of Bilt General Trading FZE as on 31.3.19 have been considered for the consolidation purpose. (Refer note no. 3.1 to the consolidated financial results)
11. During the financial year 2019-20, the Parent had received an Order from the Hon'ble Supreme Court of India confirming the grid support charges payable to Transmission Corporation of Andhra Pradesh Limited ("APTRANSCO"). The Parent had estimated the liability to be Rs. 1,516 Lakhs. Since no demand is received from APTRANSCO, the liability is not accrued and considered as a contingent liability as at 31 March 2020. As per the NCLT, Mumbai Order dated 31 March 2023 (updated on 13 April 2023), this was considered as an operational debt with an estimated liquidation value of nil. Therefore, no amount is payable in relation thereto and accordingly, this is not considered as contingent liability in the books of Parent & also in consolidated financial results as at 31 March 2023.
12. The Parent has taken Office Building on rent from one of its related party BGPPL. The rent agreement is not available with the New Management. Hence, we are unable to verify compliance with the requirements of IND AS 116 "Leases". Additionally, we are unable to ascertain the impact of same on the Consolidated Financial Results. (Refer note no. 15 to the consolidated financial results)

13. One of the foreign subsidiary Ballarpur Speciality Paper Holdings B.V. has fully written off its investment in BILT General Trading FZE, UAE ("BGT") in financial year 2019-20 as BGT does not carry on any operations and there is no intention to carry on the business in future and also the license of BGT was expired. However, we are not provided with the sufficient information and documents related to closure of business of BGT and therefore, we are unable to comment upon reasonableness of consolidation of BGT in the consolidated financial results. (Refer note no. 16 to the consolidated financial results)
14. The Company has not filed its Quarterly financial results with the stock exchanges for the current financial year as required under regulation 33 and 52 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015.

Material Uncertainty relating to Going Concern

We draw attention to Note 5 of the accompanying consolidated financial results of the Group, which contains conditions along with other matters which indicate that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern.

- **BILT Holding Company's** net worth is negative as on the reporting date and it continues to incur heavy losses. There is persistent severe strain on the working capital and this has resulted in considerable decline in the level of operations of the Company. As stated in note 4(a) to the consolidated financial results pursuant to commencement of CIRP, the Board of Directors of the Company stood suspended and the management of the Company vested with the Resolution Professional (RP). The RP was expected to make every endeavour to protect and preserve the value of the property of the Company and manage the operations of the Company as a going concern. Even though the Resolution Plan has been Approved by the Hon'ble National Company Law Tribunal, Mumbai on the 31 March, 2023 but still there exists Material Uncertainty on Going concern of the company as we are unable to obtain sufficient and appropriate audit evidence to conclude on the appropriateness of use of going concern assumption in the preparation of consolidated financial results.
- **Ballarpur International Holdings B.V. (BIH)** - During the year the Company has total comprehensive loss of Rs. 11,688 lakhs (Previous year total comprehensive profits of Rs. 98,265 lakhs). As at 31st March 2023, the accumulated losses (including other comprehensive loss) of the Company were Rs. 1,24,892 lakhs (Previous Year Rs. 1,13,205 lakhs) which have fully eroded the net worth of the Company and the Company's current liabilities exceeded its current assets by Rs. 1,70,525 lakhs (Previous Year Rs. 1,23,473 lakhs). As the management believes that negative working capital would not cause economic difficulties, in view of the Management's expectation the financial statements have been prepared on a going concern basis.
- **Ballarpur Speciality Paper Holdings B.V. (BSPH)** - During the year the Company has Total Comprehensive loss of Rs. 66 lakhs (Previous year Loss of Rs. 38 lakhs). As at 31st March 2023, the company has accumulated losses (including other comprehensive loss)

of Rs. 377 lakhs (Previous Year Rs. 311 lakhs) which have fully eroded the net worth of the Company and the Company's current liabilities exceeded its current assets by Rs. 364 lakhs (Previous Year Rs. 298 lakhs). As the management believes that negative working capital would not cause economic difficulties, in view of the Management's expectation the financial statements have been prepared on a going concern basis.

- **Bilt Paper B.V. (BPBV)** - During the year the Company has total comprehensive profit of Rs. 12,423 lakhs (Previous year total comprehensive profit of Rs.1,56,114 lakhs). As at 31st March, 2023, the accumulated losses (including other comprehensive loss) of the Company were Rs. 1,05,645 lakhs (Previous year Rs. 88,862 lakhs) which have fully eroded the net worth of the company and the Company's current liabilities exceeded its current assets by Rs. 1,65,429 lakhs (Previous year Rs.1,24,676 lakhs). Emphasis of Matter

- a) We draw attention to note no. 17 (a, b, & c) of the consolidated financial results, which states that in respect of Bilt Paper B.V., Ballarpur Speciality Paper Holdings B.V., Ballarpur International Holdings B.V., certain balances of related parties and other parties shown in other payables are subject to reconciliation/ confirmation. Consequential impact if any arising from such confirmation/ reconciliation/ adjustment of such balances is not ascertainable. However, as represented by Management, any potential adjustments

arising therefrom are not expected to have material impact on the loss (including other loss), other equity, assets and liabilities as at the balance sheet date. Our Opinion is not modified in respect of this matter.

- b) Bilt Paper BV (BPBV), Subsidiary of Ballarpur International Holding B.V (BIH) and erstwhile Parent Company of Ballarpur Paper Holdings BV (BPHBV), had pledged 70% of its shareholding in BPHBV with EC Holdings Pte. Ltd & EISAF II Pte. Ltd towards financial facilities provided by the EC Holdings Pte. Ltd & EISAF II Pte. Ltd to BPHBV. In February 2021, the pledge was invoked by the EC Holdings Pte. Ltd & EISAF II Pte. Ltd and the voting rights attached to the pledged shares has been transferred to the EC Holdings Pte. Ltd & EISAF II Pte. Ltd. The Company has reassessed the relationship status and concluded that there is no shareholder agreement or any similar document made available to the new management of Parent in respect of shareholding of BPHBV which would govern the interse rights between shareholders and management of BPHBV. Thus, BPBV ceased to control the BPHBV consequent to invocation of the pledge in February 2021. This change in control has been reflected in the preparation of the consolidated financial results of the Parent company. (Refer note 3.1 to the Consolidated Financial Results)

Notes:

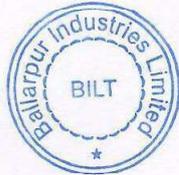

1. The above consolidated financial results have been prepared in accordance with the Indian Accounting Standards (IND AS) prescribed under section 133 of the Companies Act, 2013 ("the Act") read with relevant rules issued thereunder & other accounting principles generally accepted in India.

The new management of the Parent has transferred the books of accounts of the company from the erstwhile Oracle Software to Tally Software. As the Parent has not been able to retrieve the detailed books of accounts from the Oracle Software hence, it is not feasible for the Parent to compile and provide the complete quarterly financial results for the relevant period, as only the Control General Ledgers (GLs) were accessible from Oracle and transferred to Tally. Additionally, the necessary provision entries, adjustments, and ledger-wise accounting were not recorded in their original form, making it impractical to prepare the quarterly results, hence the above consolidated financial results are not in compliance with Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

2. The above consolidated financial results have been reviewed and recommended by the Audit Committee and subsequently approved by the Board of Directors of the company at their respective meetings held on 16th April 2025.
3. The Company was admitted to corporate insolvency resolution by an order dated January 17, 2020 passed by the Hon'ble National Company Law Tribunal, Mumbai ("NCLT") vide order dated 17th January, 2020 under the Insolvency and Bankruptcy Code, 2016 ("IBC"). The Company has been acquired by Finquest Financial Solutions Private Limited on an "as-is where-is" basis, pursuant to a resolution plan approved by the Hon'ble NCLT vide order dated 31st March 2023. The closing date in terms of the Resolution Plan occurred on 12th June 2023 and a new board of Directors have been appointed vide resolution dated 12th June 2023 and it was on this date that the current directors and key managerial personnel of the Company took charge of the Company.

In terms of the IBC, the erstwhile resolution professional ("RP") was vested with management of affairs of the Company and having rights to exercise powers of board of directors, was responsible for complying with the requirements under the laws, which includes preparing the Company's Consolidated Financial Statements for the corporate insolvency resolution process period commencing on January 17, 2020 till March 31, 2023 covering the financial years 2020-21, 2021-22 & 2022-23 and part of financial year 2023-24. However, the said financial statements have not been prepared, audited, approved & filed with the jurisdictional registrar of companies ("ROC") by the RP, as is required under the relevant provisions of the Companies Act, 2013 ("Companies Act"). Based on which the Company have filed an application (I.A. no. 2492 of 2024 in C.P. No. 2915 of 2019) before Hon'ble NCLT asking for certain extensions & exemption on compliances, the same is pending as on date.

In order to meet statutory compliance requirements, the current directors of the company are required to approve the accounts of the company for the financial year ended 31st March 2023. The said accounts pertain to the period prior to the appointment of the current directors and key managerial personnel of the company and the current directors and key managerial personnel had no role to play during the period covered by the said accounts either in the management of the Company or perusing or scrutinizing the accounts. However, the financial accounts of the Company for the said period are required to be signed and filed in order to fulfil

various compliances and hence the directors and key managerial personnel are signing the said financial statements in good faith with the sole objective of fulfilling statutory compliances without incurring any responsibility or liability for the same or any part thereof, as per Clause 4.9.2, 4.17.4 & such other terms of the approved Resolution Plan.

- i. are genuine, correct and accurate;
- ii. are complete;
- iii. have been prepared and maintained in accordance with the applicable accounting standards, policies and conventions; and

The plan further allowed an option for financial creditors to opt for upfront cash in exchange for the equity shares, CRPS, and NCDs (upfront cash against CRPS and NCDs shall be at an amount calculated at discount rate of 20%). Subsequent to the reporting date, in FY 2023-24, some of the financial creditors exercised this option, resulting in a lower settlement payout of ₹532.48 crores. As per Ind AS 10, this event provides additional evidence of conditions existing at 31st March 2023, confirming that the liability recorded as at 31st March 2023 should be revised. Therefore, the parent has adjusted the financial liability to ₹532.48 crores as of 31st March 2023.

	(ii) If management is unable to estimate the impact, reasons for the same:			

	<p>The Company's Networth is negative as on the reporting date and it continues to incur heavy losses. There was persistent severe strain on the working capital, and this has resulted in a considerable decline in the level of operations of the Company during CIRP. As stated in note 4 of financial results, pursuant to commencement of CIRP, the Board of Directors of the Company stand suspended, and the management of the Company was vested with the RP.</p> <p>Further, the CIRP process of the Company has been concluded, and Ballarpur Industries Limited ("BILT/Company") has been acquired by Finquest Financial Solutions Private Limited on an "as-is where-is" basis, pursuant to a resolution plan approved by the Hon'ble NCLT vide order dated 31st March 2023. The Closing Date in terms of the Resolution Plan occurred on 12th June 2023 and a new Board of Directors have been appointed vide resolution dated 12th June 2023. As on date, the Resolution Plan has been adhered to. Thus, post write back of the liabilities the new management is confident to continue on Going concern basis post re-starting the operations.
